MEMORANDUM FOR THE RECORD

SUBJECT: Representative Durward G. Hall (R., Mo.)

STATINTL

1. Per attached we tried to obtain DIA's signature on a letter to Representative Hall relating to the present employment of [] which Hall demanded on 16 July 1969 as a condition to removing his block against the bill on the Private Calendar.

STATINTL

2. [] reported that DIA would not be able to produce the letter prior to the call of the next Private Calendar on 5 August 1969 (to be followed by the August recess) simply because of the bureaucratic chain that such a letter would have to flow through before release. In light of this it was determined that Mr. Maury would sign the letter in order to facilitate early movement of the bill, particularly because two other similar cases have already been approved by the President and undue delay in

[] case, per [] could have a markedly depressive effect on morale.
